INSTRUCTIONS FOR USE:

**Alevicyn™ Antipruritic Gel**

For Topical Dermatological Use Only

Rx Only-Prescription Medical Device—Caution: Federal Law restricts this device to sale, by or on the order of a licensed healthcare practitioner.

DESCRIPTION

Alevicyn™ Antipruritic Gel is a non-oily, pH neutral gel dressing. It provides relief of itch and pain associated with dermal irritations and wounds, such as sores, injuries and ulcers of dermal tissue.

INDICATIONS FOR USE

Under the supervision of a healthcare provider, Alevicyn™ Antipruritic Gel is intended for management of itch and pain associated with dermal irritations and wounds, such as sores, injuries and ulcers of dermal tissue.

Alevicyn™ Antipruritic Gel may be used also to relieve the pain of first and second degree burns, and for the management of mechanically or surgically debrided wounds.

DIRECTIONS FOR USE

Shake well before each use. Unless otherwise directed by a health care provider, apply a thin layer of Alevicyn™ Antipruritic Gel to the affected skin areas once to twice daily and massage gently into the skin. Cover with a bandage if necessary.

INGREDIENTS

Sodium Magnesium Fluorosilicate, Sodium Phosphate, Sodium Chloride, Hypochlorous Acid, Sodium Hypochlorite, and Water.

NOTE

The gel contains sodium hypochlorite and hypochlorous acid as preservatives to reduce/prevent the growth of microorganisms within the gel. The effect of this product in the wound bed has not been tested clinically.

HANDLING

Non-irritating, non-cytotoxic and non-sensitizing. No special handling precautions required.

DISPOSAL

No special disposal considerations required.

WARNINGS

Alevicyn™ Antipruritic Gel is to be used only as directed by a health care provider. It should not be used to treat any condition other than that for which it is prescribed. For external use only. Not for injection. Keep out of the reach of children.

KEEP THIS AND ALL OTHER MEDICATIONS OUT OF THE REACH OF CHILDREN.

STORAGE

Store with cap closed tightly after each use in its original container at room temperature away from direct sunlight and heat. Do not freeze.

Rx Only Prescription Medical Device—Caution

Federal Law restricts this device to sale, by or on the order of a licensed healthcare provider.

How Supplied

Alevicyn™ Antipruritic Gel is supplied in a 6 oz (170g) bottle bearing the UDI number 02670-001-19, and a 1.75 oz (50g) professional sample, 02670-001-26.
